HAMPTON ROADS CHAMBER | Means Business

February 1, 2020

Dear William,

Please accept my gratitude for hosting our recent Members' Reception. Those in attendance were impressed by Studio Center and all of the services your company provides.

We all thoroughly enjoyed your remarks and we found your presentation both entertaining and informative. You are indeed a very captivating and engaging speaker and we received a lot of positive feedback from our membership.

The Chamber will most definitely call upon you to speak again.

Sincerely,

Diane Raihle
