VIRGINIA BEACH
ECONOMIC DEVELOPMENT

I have had the pleasure of engaging with William Prettyman on a couple of occasions when he spoke to various organizations involved with Virginia Beach Economic Development. His knowledge and presentations were the perfect mix of serious business-based messages, along with humorous and informative deliveries.
William is a speaker who possesses high energy, tremendous enthusiasm and valuable insight.
I look forward to working with William again in the near future.

Sincerely,

Jeffrey Smith (Jeff)
Business Development Manager II
